

4u

ergonomic task & stool seating

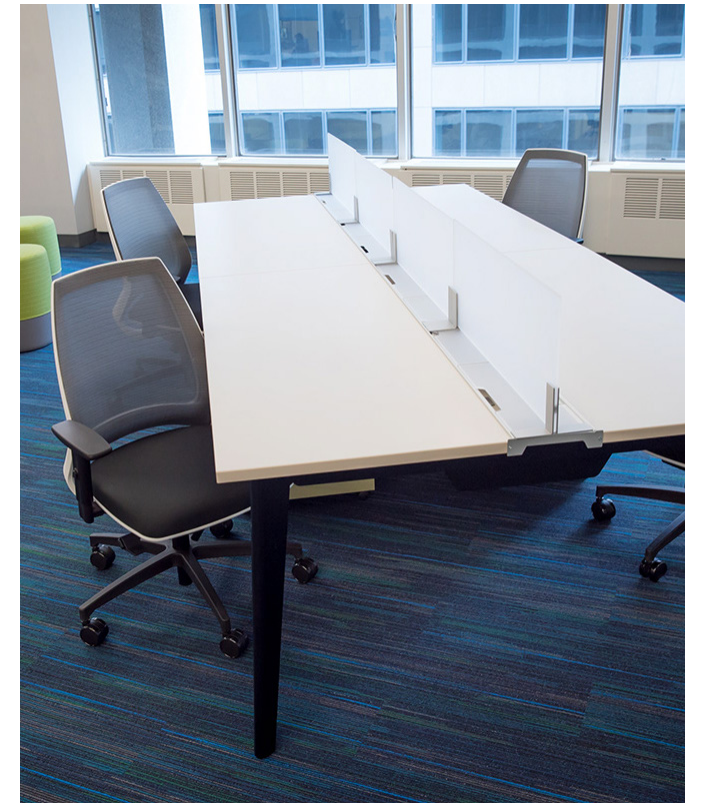

Featuring new copper striped mesh.

SEATING

great things happen in a chair

Cutting edge Italian ergonomic design made 4u.

The flowing sleek lines of 4u add to the ambiance of sophistication in any environment while also providing incredible ergonomics, comfort, and functionality.

Flexibility

With its variety of options, 4u serves as a work chair, a tall or extra-tall stool or as a conference chair with fixed arms. Select from a 4-way elastomeric stretch mesh back, a groove back using welded fabric or unupholstered back. Pair with one of its 2 seat options—original slim line design with seat pan or enhanced comfort seat.

features

- Black or white frame.
- Original slim line or enhanced comfort seats.
- Quick adjust advanced synchro or auto-adjust body balance control mechanisms with optional seat depth adjustments.
- 12 year warranty (5 years for mesh & groove fabric).

Design by
S.I. Design

In 1996 Lorenzo founded S.I. Design in Pádova, Italy with designers Mirco Pegoraro and Mauro Naletto. S.I. specializes in furniture design, particularly for offices and communal

spaces. Today, their team of eight focuses on design and technical assistance in product development utilizing advanced modeling programs.
