## FLIRT™

Flirt creates a place to come together, collaborate, listen and learn. Its broad offering of multi-use, reconfigurable products enable the maximization of different settings, inspiring and supporting the work at hand. Whether meetings are planned or impromptu, include many attendees or only a few, or require the sharing of spaces, Flirt changes and adapts to the needs at any given moment.

#FX1-427827-ES-IM 27" Height Fixed Top Rectangle Table, Eased Edge, Inset Mount Base on Glides with #6920 Flirt Lounge Chairs

#FP2-306029-BV-EM 29" Height Nesting Trapezoid Tables, Beveled Edge, presented with #6990-486371-W-W 63" Wide Flirt M.A.T.E. and #6910 Flirt Nesting Chairs

#FP1-246029-BV-EM-MP54-PB3 29" Height Nesting Rectangle Top Table, Beveled Edge, Modesty Panel with PB3 Power Units. Shown with Whim Guest Chairs by Encore.

Multi-purpose tables available with eased or beveled edge. Signature waterfall edge also offered on rectangle and trapezoid tables, on one or two sides. Meeting tables presented with beveled edge detail.

## FLIRT™

Multi-purpose tables flip-up and nest for quick and easy transitions from room to room, or from one set-up to another. With its mix of table shapes, sizes, heights, edge details, integrated wire management and more, the sky's the limit for this ultimate meeting resource. Complementary pieces include presentation tools that also double as dividers for added privacy or delineating space, while fixed base tables serve a bevy of more traditional meeting requirements. All in all, Flirt provides the opportunity to create engaging environments, strengthen interactions and become the creative destination sought-after by all.

PRODUCT SPECIFICATIONS

Multi-purpose fixed and flip-up nesting tables available in three heights and six top shapes, including a corner connecting table option. Nesting tables feature single-lever release mechanism for quick and easy set-up and storage. Table tops offered in Maple, Walnut and White Oak veneer, as well as laminate selections with three edge details: eased, beveled and waterfall. Die-cast aluminum legs available with locking all-purpose casters or on glides, in all standard and premium metal finishes. Edge mount and inset mount base configurations. Optional modesty panels, as well as corded and

daisy chain electrical units, available on select models. Accompanying round and arc-square meeting tables available in 27", 29" and 42" heights. Maple, Walnut and White Oak veneer as well as laminate, Corian® and back-painted glass finish selections. Pedestal base facilitates wire management for through-the-surface power and is offered in standard as well as premium metal finishes. Mobile All-Purpose Teaming Easels (M.A.T.E.) and divider screens also offered in multiple sizes and material options, and with or without monitor-ready mounting accessories. Complementary lounge chairs, guest seating and occasional tables available.
