

Astro

out-of-this-world lounge

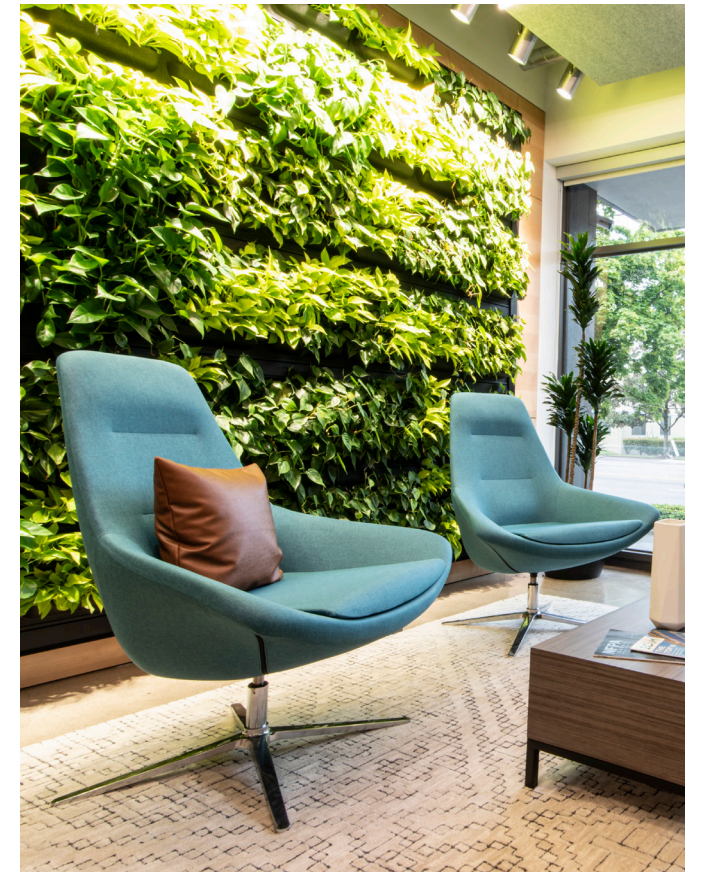

SEATING

great things happen in a chair

Cradling motion-lounge series
delivering comfort, style and play.

Astro is a lounge series unlike any other. Combinations of swivel, rock (back & forth) and sway (side-to-side) provide engaging movement in collaborative and lounge spaces.

Playful design

Take the playful appeal of Astro's motion-lounge experience to another level. Mix and match multiple upholsteries across Astro's cradling high back and beautiful seat.

features

- High back design for comfort and privacy.
- Separate seat for contrasting upholstery.
- Gas lift options include: return-to-center, non return-to-center & fixed.
- Companion ottomans available.
- 300 lb weight capacity.
- 6 year warranty.

Design by
Studio V

Studio V creates modern, sophisticated and original seating solutions that are ergonomic, beautiful and sustainable. This team of engineers and designers

are based at the Via Seating Factory in Reno NV, where they develop products using a prototyping lab, the latest in 3D modeling software and a materials testing center.
