

# Onda

designer all-mesh chair

  
**via**<sup>®</sup>  
SEATING

great things happen in a chair

The perfect balance  
between form & function.

Onda supports both ergonomic and design philosophies and holds both in perfect harmony without any compromise. High & mid back pair beautifully with body balance or synchro movements.

### a gorgeous wave

Onda—Italian for “Wave”—delivers a captivating aesthetic with superior ergonomics. The curve of the Onda backs promote instant back & neck support while looking gorgeous.

## features

- Contoured back using flocked mesh with a soft hand available in 7 colors, featuring two Via original, biocidal, self-sanitizing copper colors (black and copper striped mesh).
- Quick adjust advanced synchro or body balance mechanism, each with optional seat depth adjustments.
- 12 year warranty.

Design by  
Studio V

Studio V creates modern, sophisticated and original seating solutions that are ergonomic, beautiful and sustainable. This team of engineers and designers

are based at the Via Seating Factory in Reno NV, where they develop products using a prototyping lab, the latest in 3D modeling software and a materials testing center.
