

Vero

executive, management,
conference, execu-task

featured image: 875-67C-55A-18PB-16SCG-GR 4 (MOMENTUM SOLACE NICKEL)

features

Breadth of Line: available as an upholstered high and mid back.

Design: distinct horizontal lines with cushions strategically placed for ergonomic comfort.

Arms: featuring sleek, fixed loops available in black matte or polished versions with black and upholstered cap options. Also offers an ergonomic 8D adjustable arm for execu-task applications.

Control Mechanisms: controls include latest quick adjust advanced synchro (no endless turning of the handle to adjust your backrest to your level of comfort) with choice of an optional 2.5" seat depth adjustment & an optional +3° forward tilt adjustment & body balance technology.

Bases: five-star swivel bases available in black nylon, polished aluminum and brushed aluminum.

Via Seating's comfort foam: a proprietary blend of high-density, injection-molded, closed-cell, cold-cured foam so durable and lasting it is backed by Via Seating's 12 year warranty.

FAQ

1. Can I place a logo on my chair?

Yes, logos can be applied by embroidery on fabric, vinyl or leather. These logos must be placed at least 2" away from the edges of the seat, back and any stitch lines. Extended lead time on chairs with logos is 4-6 weeks. Please see pg. 19.

2. Can I get an ombre effect on my Vero chair?

Yes. See a visual on the right. Please reach out to your client accounts specialist for assistance.

DIMENSIONS & FINISHES

Dimensions and finishes can be found online. Studio V, Via Seating's engineering design team, continuously updates and works with its partners to update Via Seating products to the latest industry advances and to customer feedback. Dimensions, finishes & resources are made available online to allow for real-time updates with the most current data.
