

Zee

designer multi-use seating

SEATING

great things happen in a chair

A welcoming, sculpted seat
with flex back comfort.

The single shell form of Zee fits a variety of sizes.
Enjoy the comfort of this flex back design with open
back, which allows the body to move intuitively.

Variety

Zee meets an extensive range of seating solutions. Enjoy in breakout areas, conference rooms, at drafting tables, as a side/guest chair and more. The lightweight frame makes it easy to move and stack. Stacks 9 high (7 high with an upholstered seat).

features

- Perfect for collaboration, guest seating, training rooms and cafeteria areas.
- Poly shell with a sculpted flex back design and an integrated arm.
- Optional upholstered seat.
- 6 year warranty.

Design by
GREY ID

This is the perspective of GREY ID, a design studio in Italy. Industrial design does not end in the talent of a single designer. It encompasses the skills of young creative professionals working in

the various disciplines of industrial planning: from concept to development, support to engineering and in communication of the project in terms of design and exhibitions.
