

REPRISE METAL

Modular configuration comprised of #M3420-ST-GN-UG Starter Unit, #3417-21-GN-UG 21" Wide Inline Connecting Table and #M3445-EU-GN-UG 40" Wide Bariatric End Unit. Paired with #M3410-3-GN-UG Three-Seat Tandem models and #M3400-2420 Occasional Tables.

REPRISE METAL

Thoughtfully designed to enrich well-being, Reprise Metal offers a comfort-enhancing silhouette to support waiting areas large and small. With glass-reinforced nylon arms and the endurance of a metal frame, together with all the same features and benefits of its wood frame equivalent, Reprise Metal becomes the go-to solution for healthcare requirements time and time again.

Inline connecting tables available in 15" and 21" wide options.

Tandem seating offered in two and three-seat pre-configured combinations or as reconfigurable modular units.

#M3410-GN-W Guest, #M3450-GN-W Patient and #M3457-GN-W Easy Access Chairs

On The Cover: #M3410-GN-CO Guest and #M3440-GN-CO 34" Wide Bariatric Chairs, shown with #M3400-242420-CO Reprise Metal Table

PRODUCT SPECIFICATIONS

Frame comprised of glass-reinforced nylon arm and metal leg. Nylon arm offered in black and grey, with arm caps available in Beech wood, black urethane, grey urethane and Corian®. Metal leg standard in Metallic Silver finish, with other colors offered. Pre-configured two and three-seat tandem models available, as well as made-to-order modular arrangements. Inline connecting tables offered in 15" and 21" widths, with Beech veneer, laminate and Corian®

finish selections. All standard and custom finishes available. Easy Access chair features 24¹/₂" seat height and brushed stainless steel foot step. All models feature passive flex back, clean-out on all sides including between seat and back, wall-saver leg design and replaceable componentry. Complementary occasional tables offered, in addition to accompanying wood frame series.
