

FLIPSIDE

FLIPSIDE

However you approach it, Flipside offers a comfortable and stylish place to do all things. Available with or without a backrest, its signature style is defined by wood details, a durable metal frame and seat cushions with suspension webbing for lasting comfort. For short or long stays, there's no better place to be than on the Flipside.

Optional integrated power technology provides the convenience of charging on-the-go.
Available for placement on table-tops or discreetly tucked beneath seating units.

Fully upholstered seating options further expand the versatility to address specific application or aesthetic preferences. What remains the same across all models is the comfort, durability and flexible nature that's represented throughout the collection.
