DESIGNING OPTIONS. FURNISHING ANSWERS.

LINEUP

Through its diverse breadth of products, Lineup delivers endless solutions for the modern collaborative environment. From lounge groupings and modular seating configurations, to semi-private booths and casual meeting spaces, each piece in the collection thrives whether used individually or in combination, bringing a sense of purpose and productivity to its surroundings.

Enjoy the convenience of effortless charging with optional integrated power units, available in a variety of USB and standard outlet choices to accommodate any device.

A comprehensive family of seating, tables and accessories tailored to work together just as well as they do apart, Lineup meets multifaceted needs with ease.

LINEUP COLLECTION
