Tight deadlines?

Versteel provides solutions through a generous Quickship program. Choose from a variety of products that ship within 10 business days of a clean purchase order.

TABLES

- One-piece tops only
- Fixed, folding or standard tilt bases
- Fixed, hanging, removable or folding modesty
- Wheelchair height available on all shapes
- Stand-up height on rounds and squares (All shapes and sizes for Deci)
- Glides or casters
- Table link
- Any standard PVC edge or flat wood edge
- Any standard powder coat
- Laminate tops only in any Quickship laminate
- Vela wire mesh

The above are only available for Quickship if it is an option within the standard offering. Ordering a table with additional features, such as form modesty, lightweight core, adjustable height, power + data, and/or grommets may disqualify an order as Quickship. Contact Versteel for more information.

All Versteel standard PVC colors/patterns are available on Quickship.

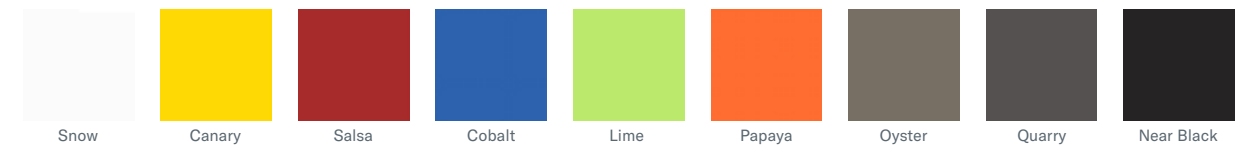

Poly Shells

Chela, SIMON and Quanta Max may be specified with poly shells in the below colors.

Chela + SIMON

Quanta Max

Versteel Quickship products ship within 10 business days of a clean purchase order. Order up to 50 tables without modesty panel, 25 tables with modesty panel, 100 chairs and/or 50 space division units. Products are available in all standard powder coats as well as a strategic offering of wood finishes, laminates and textiles.

QUICKSHIP PROGRAM

Quickship orders must be received in writing by Versteel no later than noon Eastern Time, accompanied by final material and finish specifications for order entry. Orders must be clearly marked “Quickship” and consist of all Quickship products and materials. Quickship orders cannot be changed or cancelled, and credit approval must be acquired within 24 hours. See “General Information” of the price list for additional details.

Finishes For finish color reference, please visit Versteel.com. Contact Versteel to receive actual color samples for color matches and final color approval.

Tables The Versteel Quickship Table Program is comprised of standard tables. Table options, such as form modesty, lightweight core, adjustable height, power + data, grommets, etc, may disqualify an order as Quickship. Please consult the Versteel Table Price List for available products.

Seating The Versteel Quickship Seating Program is comprised of standard chairs. Stools are only available in The Maker Project. Please consult the Versteel Seating Price List for available products.

Space Division The Versteel Quickship Space Division Program is comprised of space division units. Upholstered OH! Screens are not available on Quickship. Please consult each series’ respective price list for more information.

Textiles Upholstery products may be specified in a selection of Quickship textiles. Visit Versteel.com to view Quickship upholstery options.
