

# SOA

designed by  
CLAUDIO BELLINI Studio

## FEATURES

- Guest, tandem, bariatric and easy access/hip chair models offered.
- Tandem models offered in two, three and four-seat combinations or as reconfigurable modular units.
- Three arm cap options: beech wood, black urethane and Corian.
- Elliptical metal tube frame offered in standard and premium finishes.
- All models feature passive flex back, clean-out on all sides, radiused arm cap, wall-saver leg design and replaceable componentry for extending product life.
- Corner, in-line and end tables available in beech veneer, laminate and Corian.
- Wood arm caps and tables offered in all standard and custom wood finishes on beech.
- Accompanying benches and occasional tables also available.
- Benches offered in single, two-seat and three-seat sizes with or without clean-out option.
- Two-seat bench models also available with center table.
- Occasional tables offered in rounded square and rounded rectangle shapes.
- Guest chair starting COM list price: \$1,380

## INSIGHTS

Designed with comfort and care in mind, Soa brings a sense of tranquility to healthcare environments. Embracing softer forms, from an elliptical tube frame and radiused arm caps, to a cushiony seat and back, its soothing presence creates a warm and welcoming space for everyone.
