TOD™ Training On Demand

TILT-NEST Easy tilt-nest mechanism keeps environments open for other uses. Fixed bases are available when nesting is not desired. **MOBILITY** Dual wheel-locking casters for easy reconfiguration. **LINKING** Table link connects rows of tables for training and prevents sequenced power from becoming disconnected. **POWER & DATA** Power options available. Wire management is integrated into the leg to get power neatly to the top of the table. **FINISHES & MATERIALS** Unsurpassed standards program and available custom finishes combine to give you the look you desire.
