

Compass Island

Part Number(s): CIAAXXXXXD0XX-XXXX-XXXX
CIBAXXXXXD0XX-XXXX-XXXX

COMPASS ISLAND:

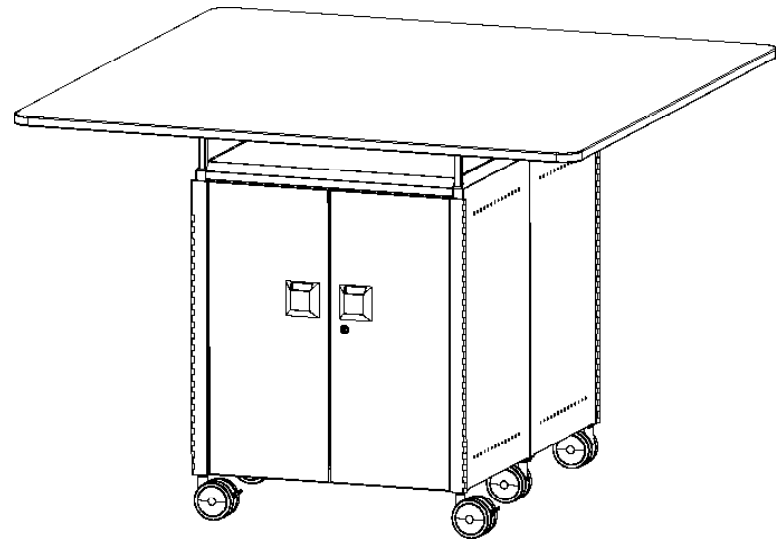

MooreCo's Compass Island seamlessly integrates a diverse range of storage cabinets with a spacious work surface, establishing the ultimate makerspace. With a focus on adjustability, mobility, vibrant colors, simplicity, visibility, engagement, comfort, and collaboration, Compass Island excels in both functionality and versatility.

It strikes a perfect balance between easy access to supplies and tools and providing generous workspace designed for creativity, exploration, and organization. Designed for learners of all ages and adaptable to a variety of room sizes, this collection enhances hands-on learning and promotes better mobility for educators, fostering a dynamic and engaging classroom atmosphere.

Whether you're designing a makerspace, transforming a lab, or renovating a computer room, incorporating Compass into your educational environments will empower both you and your students, granting greater freedom to explore and innovate.
